Packaging & Delivery:

Basalt Weathered Stepping Stone is packaged in wire baskets on pallets with a total weight of approximately 3500 pounds per pallet. This material is ordered by the pound or by the pallet.

Characteristics:

Basalt Weathered Stepping Stone is used in the same manner as the regular Cabin Basalt Stepping Stone. The difference is that this material features a naturally tumbled and weathered top surface.

Description & Color:

Basalt Weathered Stepping Stone is mostly grey with some brown and tan variations.
